Beautiful Nomad 75 with many extras.... new boat

The hull has a pronounced deep V-shape in the bow area and a keel. This enables both high speeds of up to 27 kts and good rough water properties or long ranges of up to 5000 miles. On deck are the large aft deck, the great bow area with seating and table and large variable deck area. The great flybridge with hardtop roof as well as the swimming platform located near the water, which is designed for fun on and in the water. Side doors from the salon and internal stairs to the flybridge.
